The above indemnification shall be the sole remedy to which Licensee shall be entitled in connection with the foregoing.

The foregoing in Section 6.1 shall not apply to the extent that the infringement arises: (i) from the use of the Software (or any component thereof) in a manner for which it was not intended or not authorized under this Agreement; or (ii) not in compliance with the documentation and specifications thereof.

9.5. Entirety of Agreement: This Agreement and any attachments hereto, constitute the entire agreement between the Parties as to the subject matter hereof, and supercedes all prior and/or contemporaneous agreements, representations, and understandings between them, whether oral or in writing. No waiver of any provision of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, nor shall any waiver constitute a continuing waiver. Nothing contained in this Agreement shall be construed as creating a joint venture, partnership, agency, or employment relationship between the Parties, and neither Party shall have any right to bind the other or incur any obligation on the other's behalf without the other's prior written consent.
