WalkMe Elevate 2022. - Event Overview.

WalkMe Elevate: is a career development event for DAP Professionals happening on October 25–27, 2022, with virtual programming globally and in-person sessions in San Francisco.

Elevate is the event for DAP Professionals to learn more about Digital Adoption strategy, best practices, and tactics driving results at companies around the world. We bring together the best and brightest in DAP today for a 3-day event filled with inspiring conversations, thought-provoking presentations, and on-site certification coursework.

Attend virtually for:

- Keynote with important announcements about new resources for DAP Professionals
- Breakouts featuring success stories from Digital Adoption specialists about how they did it
- DemoJam featuring videos of the best innovations in Digital Adoption today

Attend in-person to see all that live, plus:

- On-site certification coursework in the specialization of your choice
- Social events to expand your network of DAP Professionals
